As we think of some of the memorable moments of this past school year, sometimes we silently laugh to ourselves. Again we remember with sadness. There was the excitement of getting our senior rings . . . the anxious moment before the crowning of Homecoming Queen . . . the joy of a new friendship. All of these memories come to life through the pages of the Bluff. Look upon these experiences with happiness and pride—they are P.B.H.S.!

The schools of America stand at the threshold of a new era in their history. If they perform their full function, they are to furnish the understandings, the competence, and the will for greatly improved human relationships in our own culture, for more understanding and intelligent relationships with the rest of the world, and for creative transformations of atomic power into better living. They face a great crisis of opportunity. They may know now with certainty that their critical reevaluation is in the near offering, that new demands will soon be made of them, and that a new and more complete dependence will be placed on them.

You are living in a period of time when "change" is the common password. Change always brings about new problems. Just what these opportunities and problems will be are not known at the present. However, it is known that unless you take full advantage of the educational opportunities you are now afforded, you may very well miss out on the opportunities of the future and surely will be unprepared to deal with the problems that will arise.

The jobs of the future will require people who have a good knowledge of human relationships; so, as you continue in school, try to develop the ability to understand and get along with all people. Keep in mind this old proverb: "He who has 1000 friends, has not a friend to spare, but he who has one enemy meets him everywhere."

The people of Poplar Bluff have shown their dedication to the community's youth by providing the best educational facilities and staff available.

No matter how vast or how expensive the educational plant and staff are, they are not enough to provide the full educational experience. In order to fully complete the learning process, a third ingredient is necessary; that is a dedicated student body.

I challenge the student body of this school to do its best to utilize the many opportunities provided and to accept the challenges of 1967 and all the years to come.

HONORS

Editor
“The Bluff”

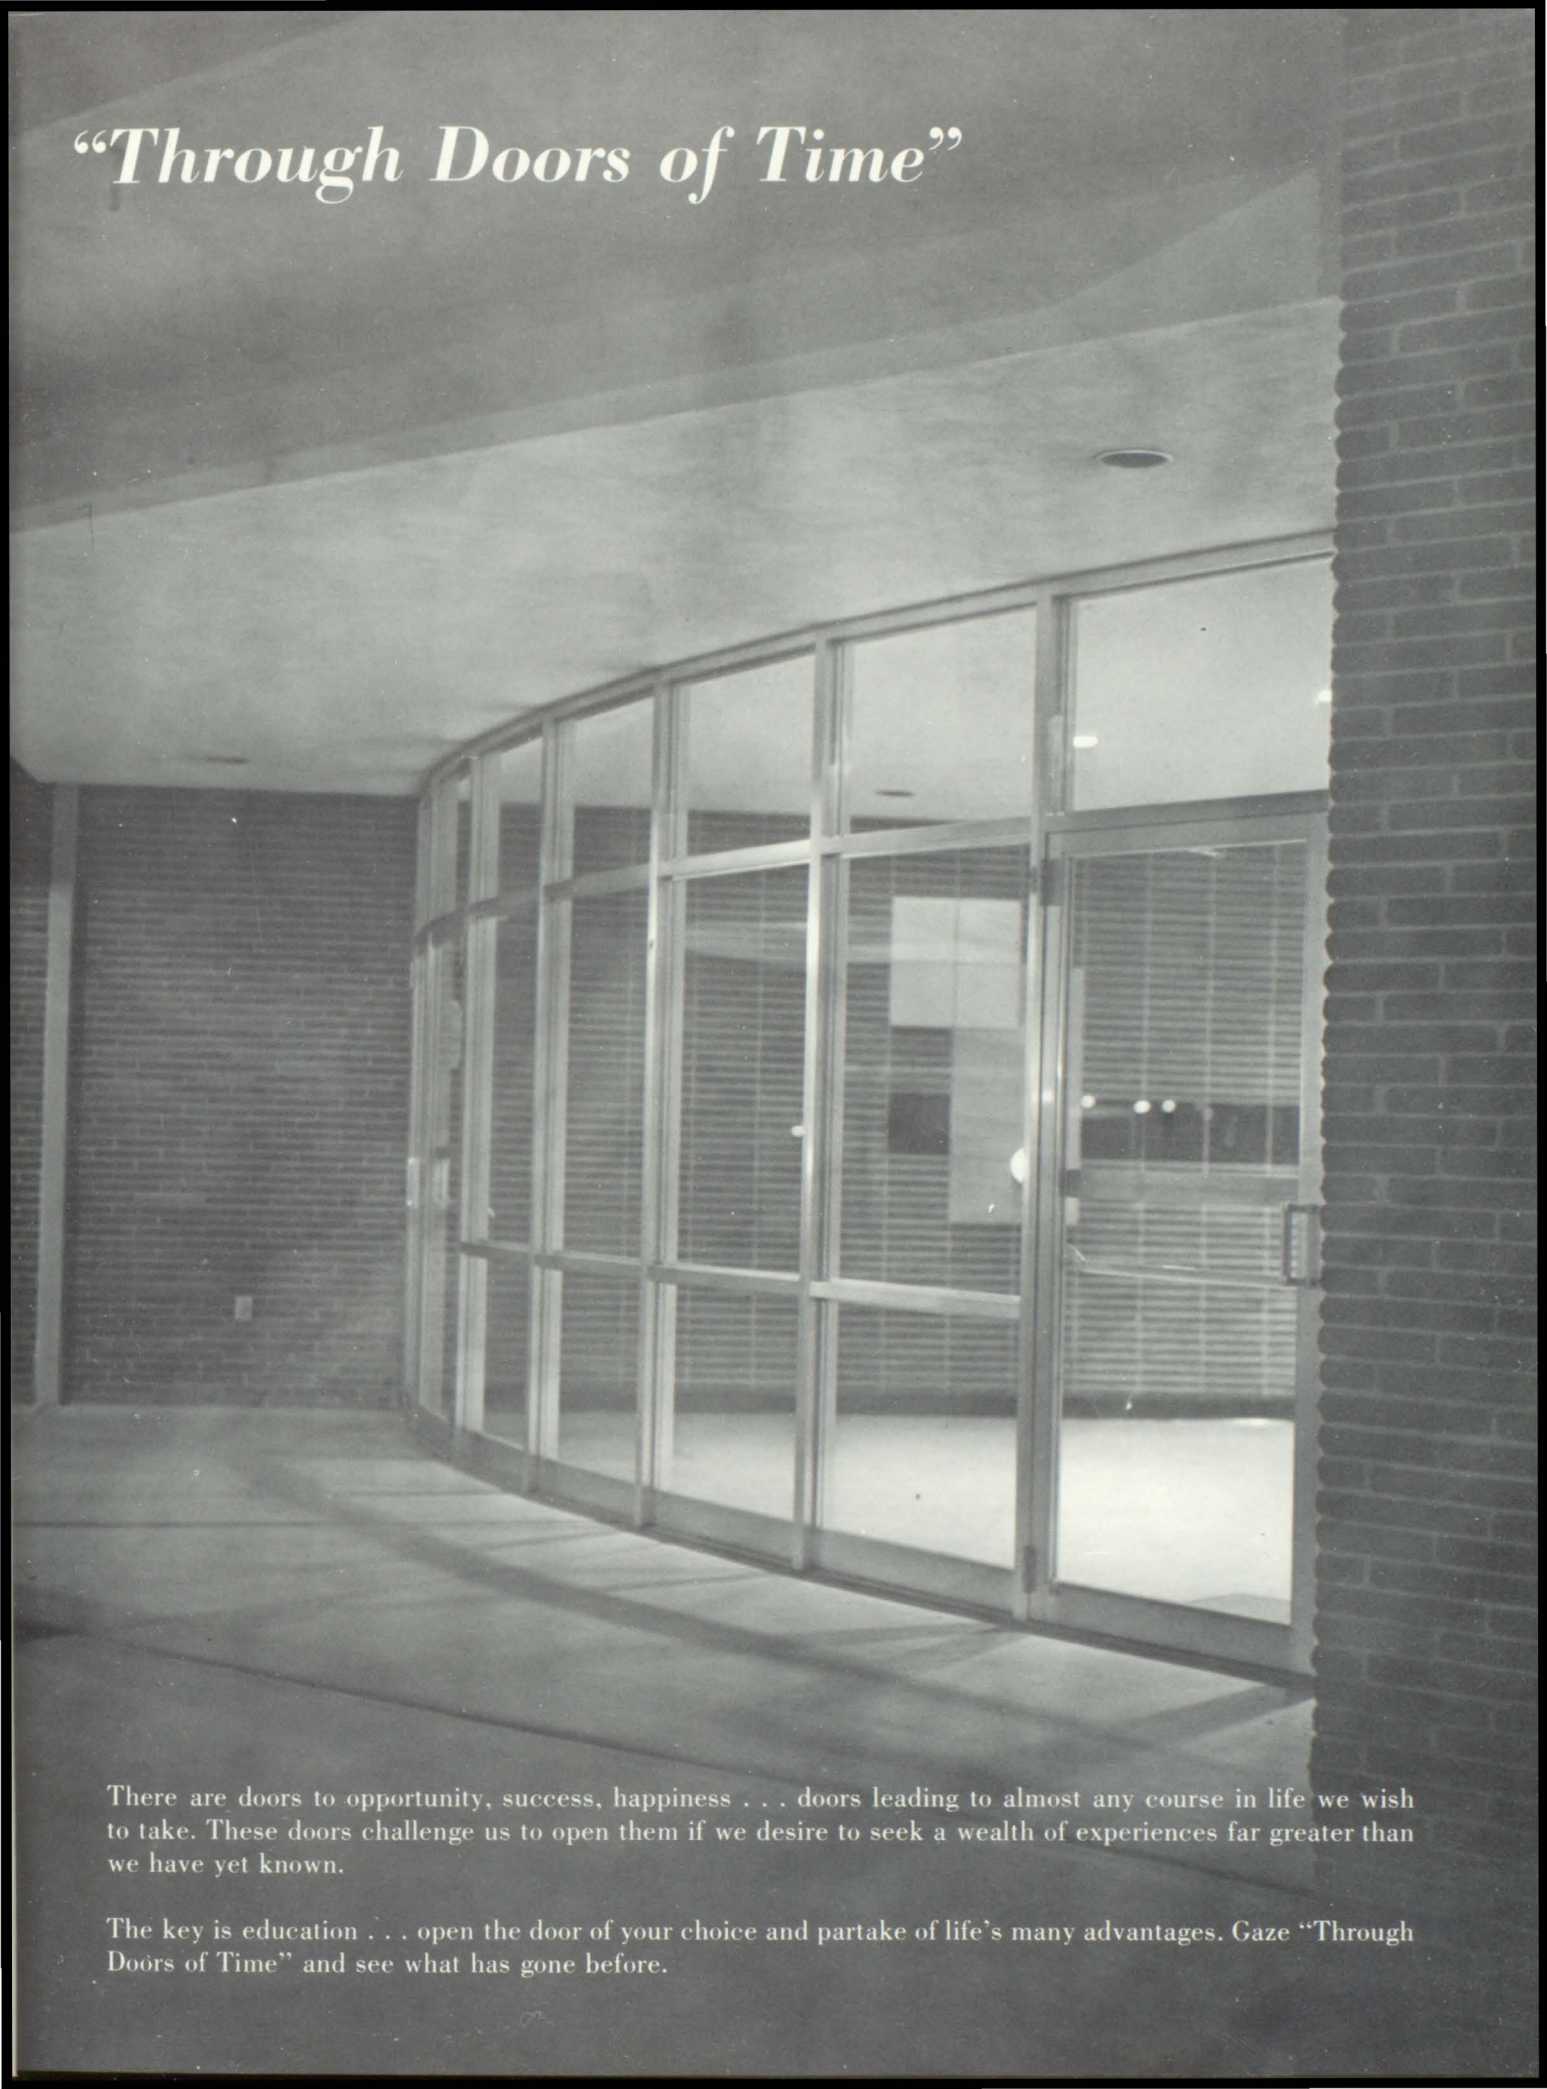

Our passing high school years soon become fleeting reflections in our memories. To relive and once again to become a part of those days, we look “Through Doors of Time.”

The anxious freshmen awaited the day when they would become a part of our high school . . . the sophomores now were familiar with their new role . . . the juniors once again spent many long hours in preparation for the never-to-be-forgotten Junior-Senior Prom . . . and the seniors reflected the true meaning of those years gone by. With sadness they were graduated and realized they passed these portals of life but once.

May you recall with pride and joy the memories of your activities, friendships, and expressions of loyalty, which are recorded “Through the Doors of Time” within the Bluff.

Mary Eastburn

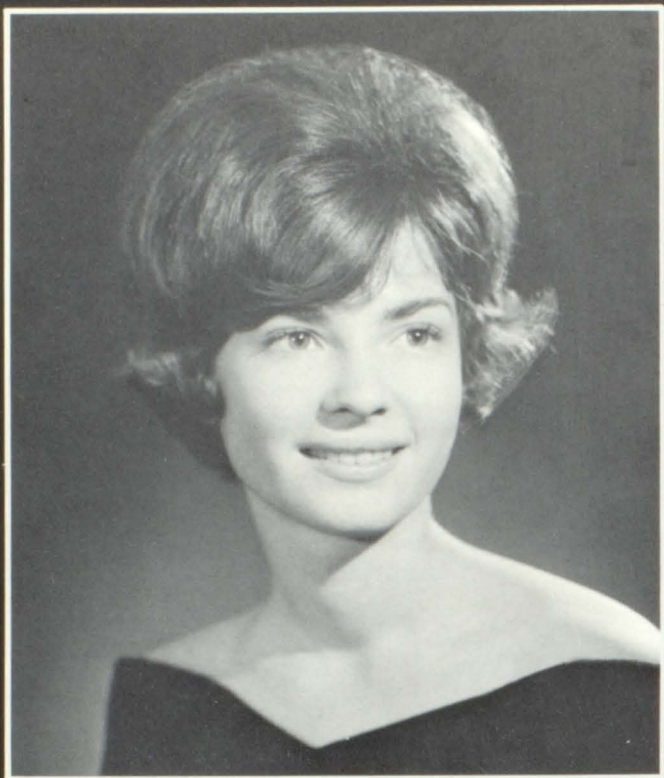

“Through Doors of Time”

There are doors to opportunity, success, happiness . . . doors leading to almost any course in life we wish to take. These doors challenge us to open them if we desire to seek a wealth of experiences far greater than we have yet known.

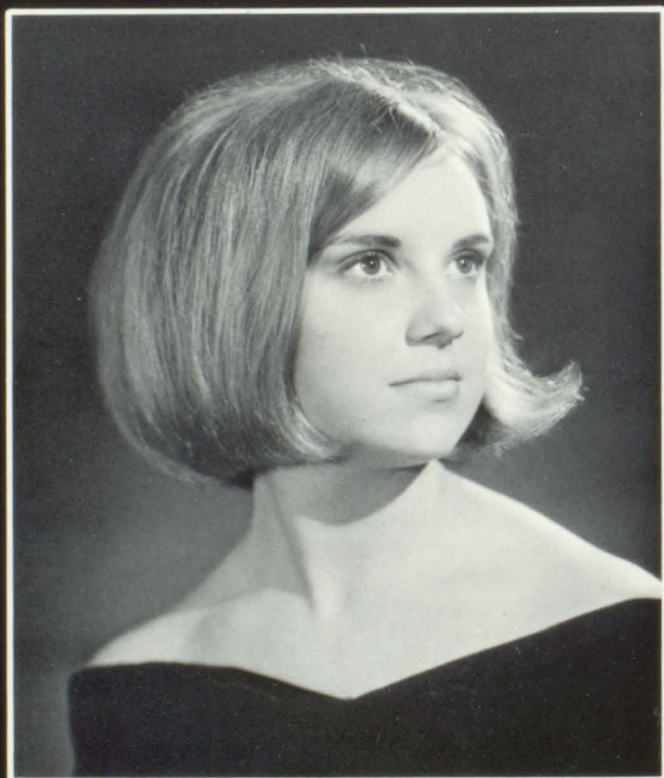

The key is education . . . open the door of your choice and partake of life's many advantages. Gaze “Through Doors of Time” and see what has gone before.

This year the job of the Bluff Staff has been to produce a better-than-average Bluff for the students of P.B.H.S. Into the production of this book went a few tiring hours of hard work, a lot of imagination, and, of course, last minute changes!

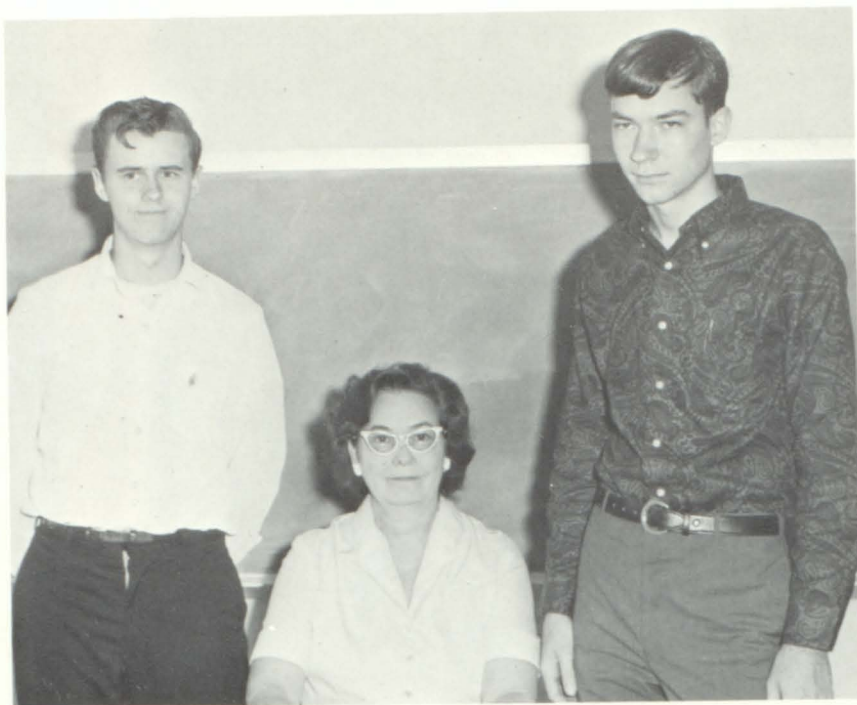

We only hope that we have been able to preserve some of the precious moments of P.B.H.S. through opening the doors of time.

Bluffer Staff

To produce a good newspaper the staff must have courage to print the truth and integrity to print only the truth. Our Bluffer Staff possesses these qualities. By coordinating their skill and overcoming the problems in journalism, the members of the Bluffer Staff have brought us a fine paper!

Wonderland

P.B.H.S. is, above all, the Jr.-Sr. Prom! This prom was the very first to be held in our new gym. The gym was transformed into a "Wonderland By Night" by the hard working Jr. class. After many "putting-ups" and "tearing-downs", the Jr. class was ready to open the doors and dance to the magnificent Ken Williams Band. This night of May 7, 1966, is an evening few will forget!

Stars of '66

S i k e s t o n

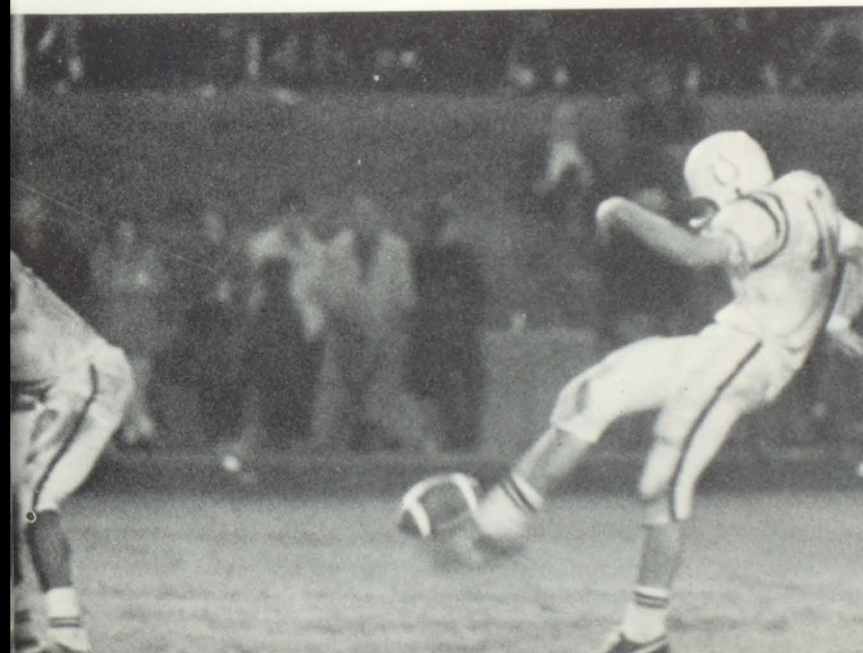

The Mules struck early in the game with Vaughn making a 49-yard touchdown run. Wyatt kicked the extra point to make it 7-0. Moss scores from the 14 with two minutes left in the first quarter to send the Mules ahead 14-0. Barton finished a great night for the Mules by realizing every line-man's dream—scoring a touchdown. He scooped up a Bulldog fumble and galloped 13 yards to score.

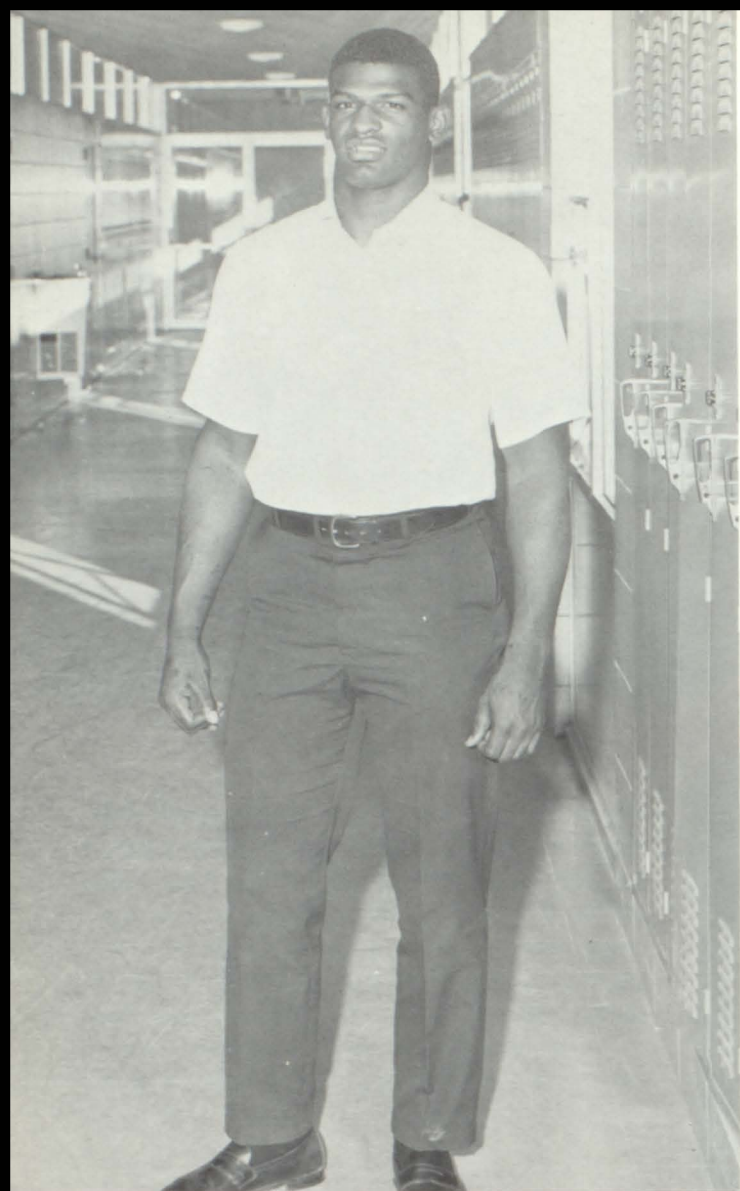

Story

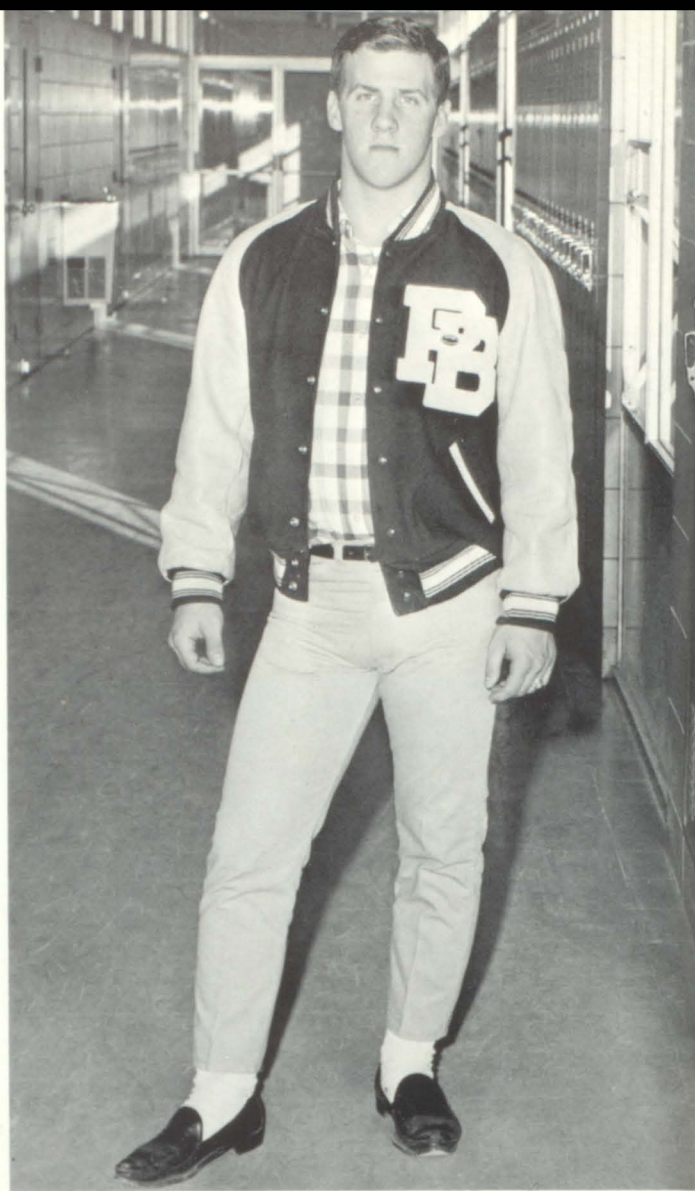

Piper strains for extra yardage as four Sikeston tacklers close in. Brown powers his way in to score from the two to increase the Mules lead to 21-0. Wayne Limbaugh, North Conference leading scorer, gained no prestige against the powerful P.B. defense, as he failed to score. The Mules rolled past the Sikeston team by the greatest score ever recorded against Sikeston in the history of P.B.H.S.—35-0!

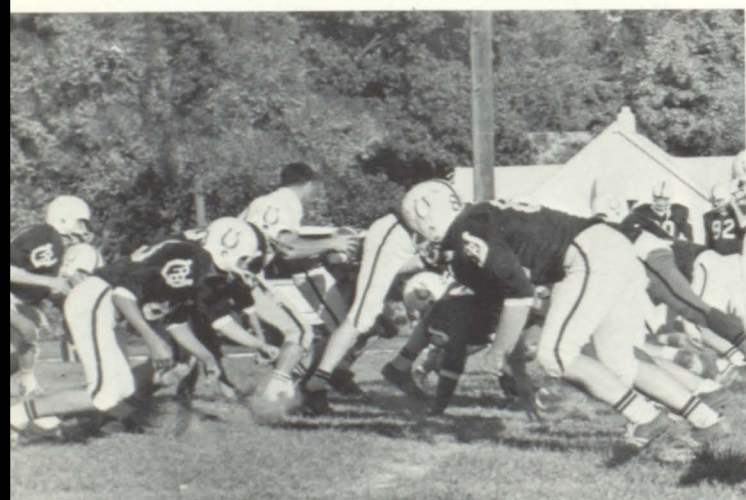

John Brown, star fullback for Poplar Bluff, was chosen to play on the 1966 All-State First Team. He was also chosen on both offensive and defensive teams for all-conference. John was the only Junior represented on the all-state team. Congratulations, John!

Allan Barton, outstanding lineman for P.B.H.S. for three years, was named to play on the second team all-state. He was also picked for both the offensive and defensive all-conference teams, as well as the Missouri all-star game. Our congratulations and thanks to you, Al, for a job well done!

This page is dedicated to the VICTORIOUS POP-
LAR BLUFF MULES FOOTBALL TEAM, who com-
pleted the first undefeated, untied football season in
the history of Poplar Bluff High School.

Our fine season was due primarily to strenuous prac-
tice and to the unique ability of our coaches.

The perfect ending to our perfect season was the
victory of the Mules over Jeff City.

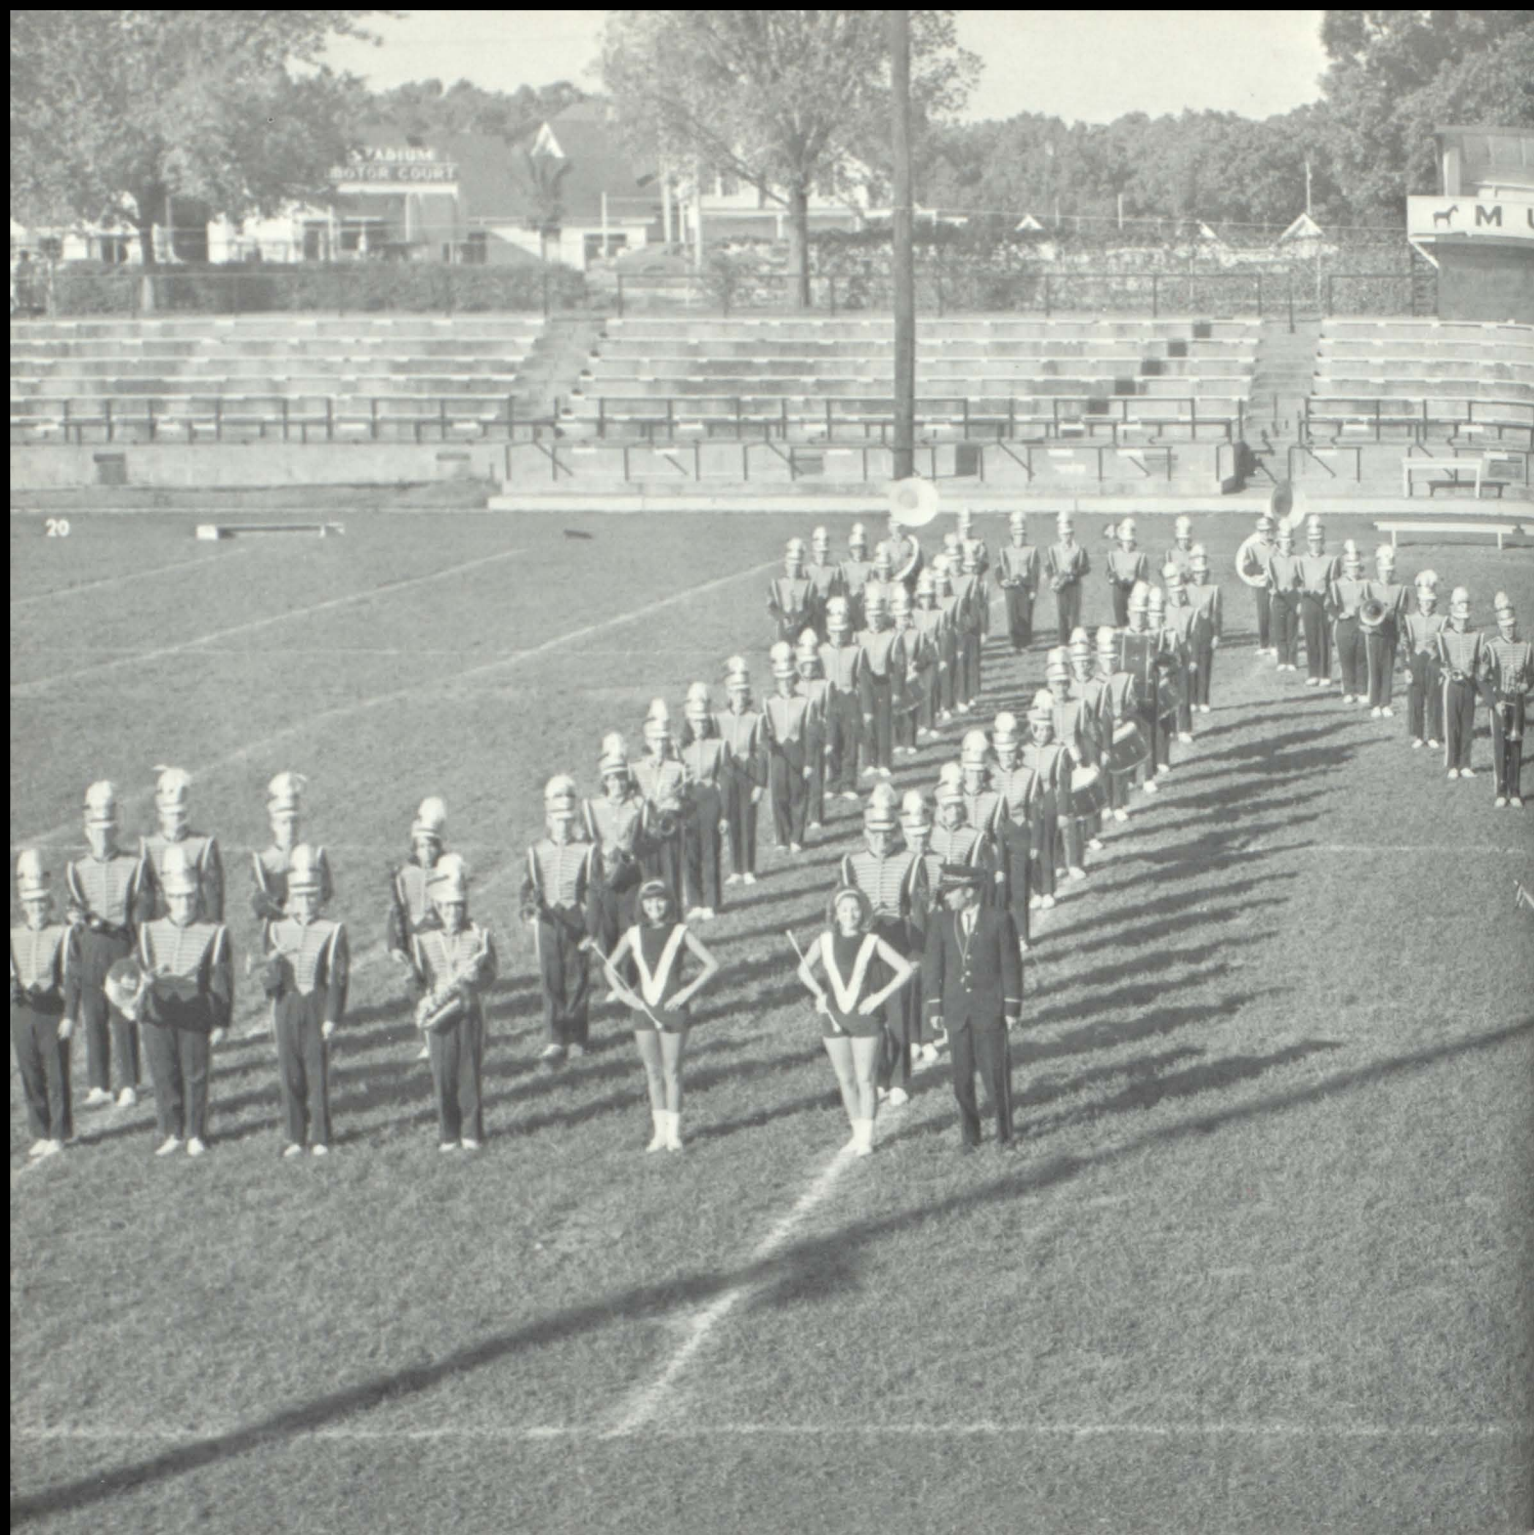

We salute you Poplar Bluff Mules and coaches!

ORGANIZATIONS

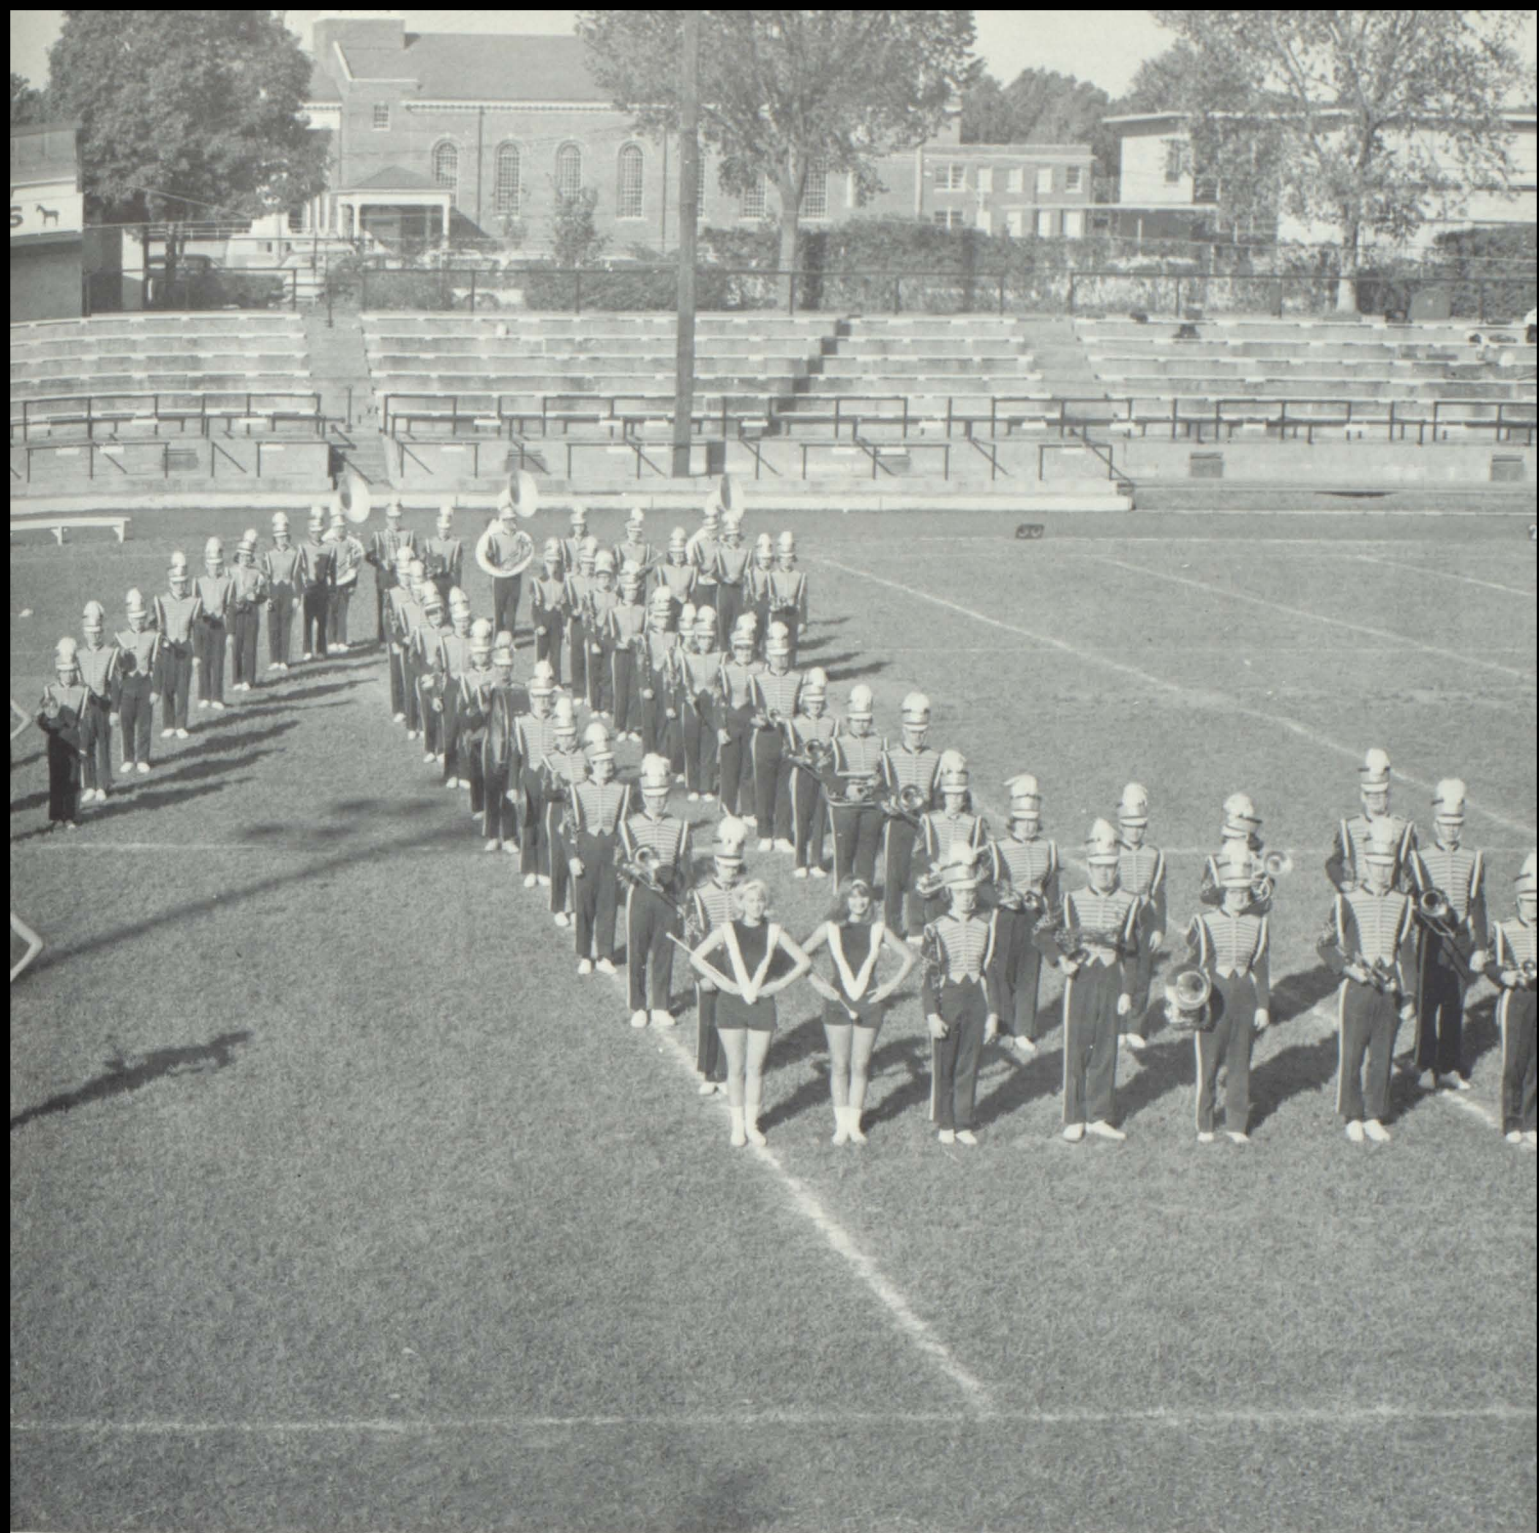

The 1966-67 Senior High Marching Band, under the direction of Mr. Bill Salyer and led by drum majorette, Jamie Cantrell, has performed many impressive marching routines this year.

The students of P.B.H.S., as well as the entire city of Poplar Bluff, are very proud of their work and accomplishments. This year the band performed at Southeast Missouri

Poplar Bluff

State College, as well as at all of our home games at the pregame ceremonies and at half time. They also marched at some of the out of town games.

The whole school would like to congratulate them on their outstanding work and thank the director and band for the fine entertainment they have provided.

Maroon Band

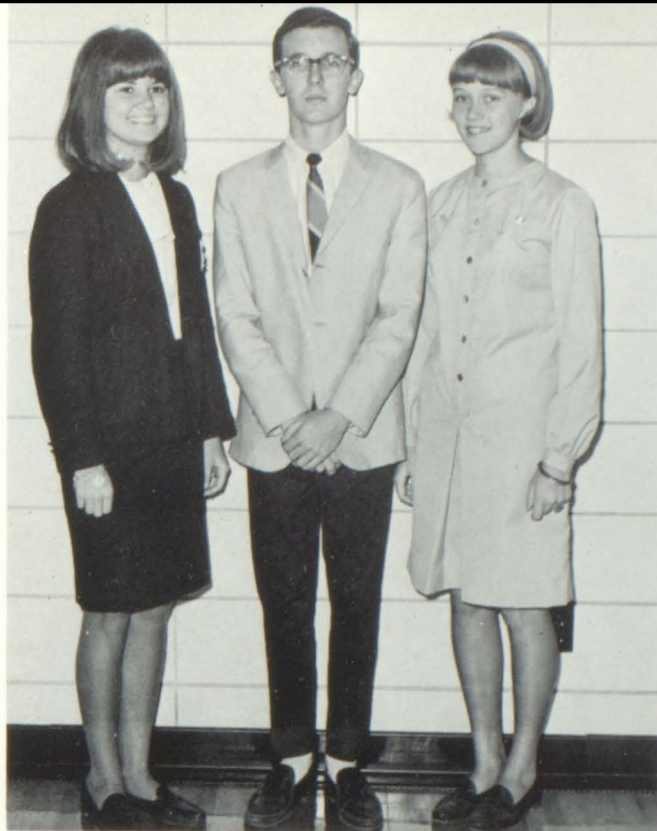

The Maroon Band, or the first hour band, has played an important role this year. It not only performed well during the marching season, but also as an individual section of the P.B.H.S. band during the concert season. The band is directed by Bill Salyer, who has done an outstanding job in the organization of the programs presented by the band.

OFFICERS—Joe Scobey, President;
Nita Leamon, Secretary-Treasurer;
Marc VanDover, Vice-President.

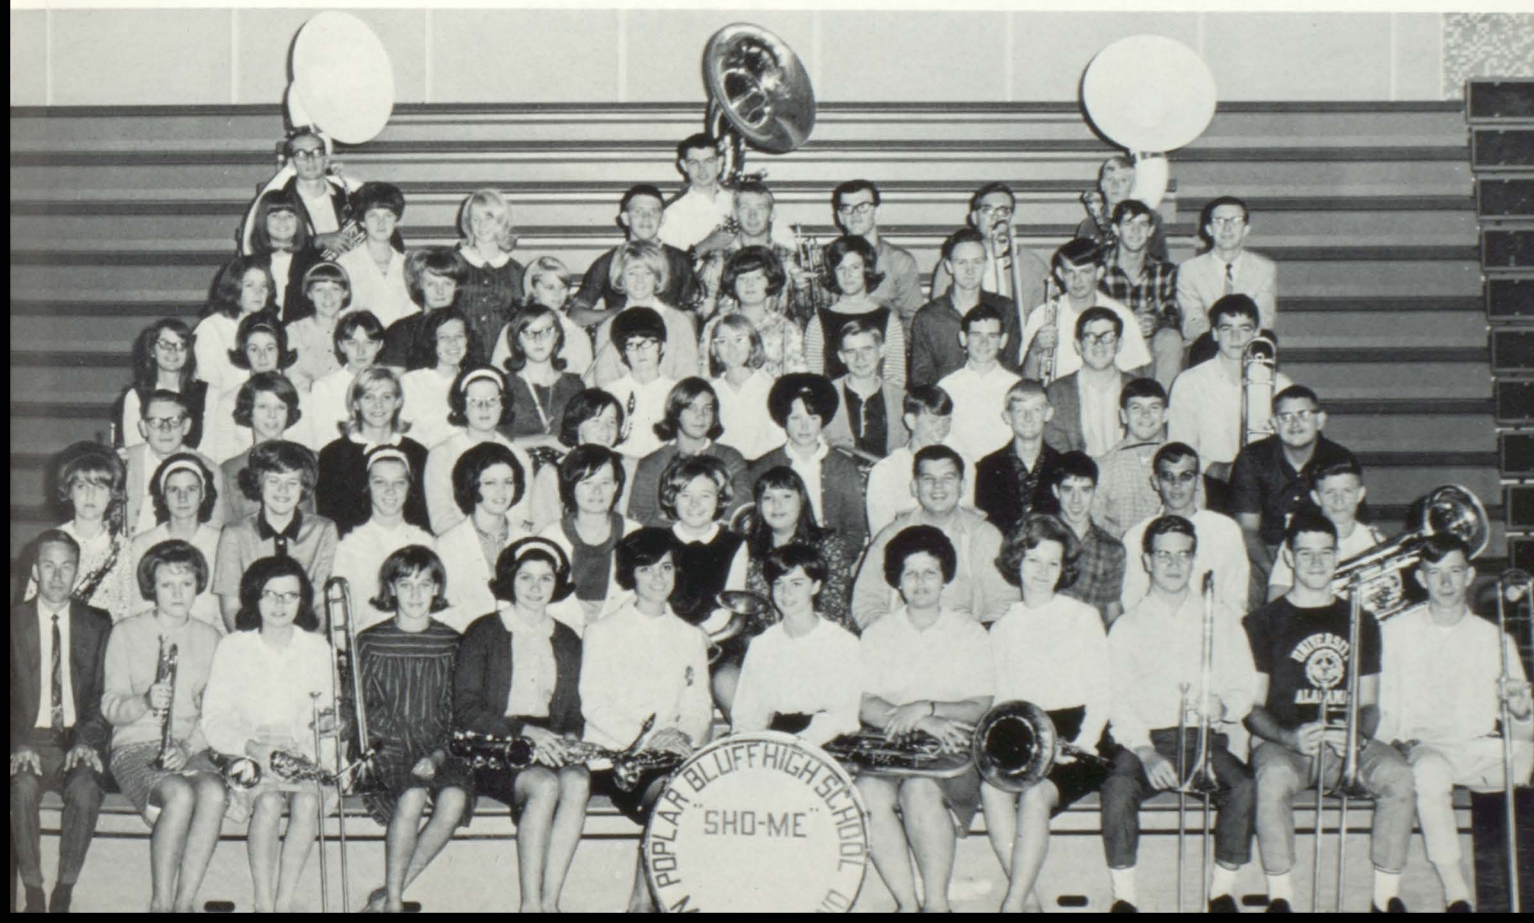

The White Band, or second hour band, has also done a good job this year. They were the other section of the band during the concert season and performed equally well. They provided enjoyable programs during half time at the games. This band is also directed by Mr. Bill Salyer, who has done a great job with both of the bands, as a unit and in their separate sections.

OFFICERS—left to right: *Linda White, Secretary-Treasurer; David Kimes, President; Jane Carr, Vice-President.*

The Key Club of P.B.H.S. is perhaps the most popular boys' club in school. Outside of the National Honor Society it is the highest honor a boy can receive. Under the slogan "We Build" the Key Club strives to promote leadership, initiative, and scholarship among its members. The club serves the community throughout the year with various projects and carries a program schedule popular among the students of P.B.H.S. It has been a part of the school life since 1949, and is sponsored by the local Kiwanis Club.

This year's Debate Club, under the direction of Mr. Jack Maxwell, was organized for the purpose of increasing forensic ability and interest among students. The team's activities include: extemporaneous speaking, discussions on current issues, and interesting interscholastic debates. Our warmest congratulations go out to the Debate Club for its fine work this year.

The purpose of the National Thespian Society is to promote the advancement of drama in the secondary schools. This is the foremost goal of Troupe 2543 under the direction of Mr. Glenn Smith. Organized in 1964, the club is a compact body of members interested and talented in the field of drama. All members are selected on the basis of their meritorious work in dramatics.

Everyone faces the responsibility of earning a living. Cooperative Occupational Education provides experiences for an individual's chosen occupation; or, perhaps, helps to decide upon a suitable vocation. Through the COE Club, students are given a chance to judge the profession and other occupations which they think they may choose for their life's work. In reality, COE Club members obtain a working knowledge of the business world.

Le Cercle Francais

Le Cercle Francais was organized in 1958 to promote a better understanding of the French people, their government, history, literature, and culture; also to learn to speak the French language better. This year there is a membership of 49 students ranging from Freshmen to Seniors. The club includes students from each of the three levels of study. The members take part in many of the programs for the meetings. This year the club meets on the fourth Monday of each month.

The world of tomorrow depends upon the student of today. It is up to us to keep the standards of culture and drama in our country at a high level. The Dramatics Club of P.B.H.S. is organized for those interested in learning more thoroughly the speaking expressions and verbal inflections for the reading of poetry, prose, and other verbal compositions. Besides acting, members learn stage setting, directing, costuming, and the many phases of theatrical work.

With Spanish-speaking countries of the world as our neighbors, a better relationship with them is a must. Los Amigos is an extracurricular activity which helps the students outside of class to practice the language and to establish a working knowledge of Spanish culture, customs, and people. In doing so, an understanding of Spanish civilization past and present is within our grasp.

It is not a hard thing to become interested in good books. The members of the Library Club can tell you that. A book, like anything else, needs care, and this care is left up to the members of this organization. As long as there is a need for people who are concerned about each small storehouse of wisdom, there will always be a Library Club.

Engineers are a vital part of a community and country; for those students interested in this profession, a club has been formed at P.B.H.S., the Future Electronics Engineers and Technicians. Greater knowledge in this field is of prime importance to every member of this organization.

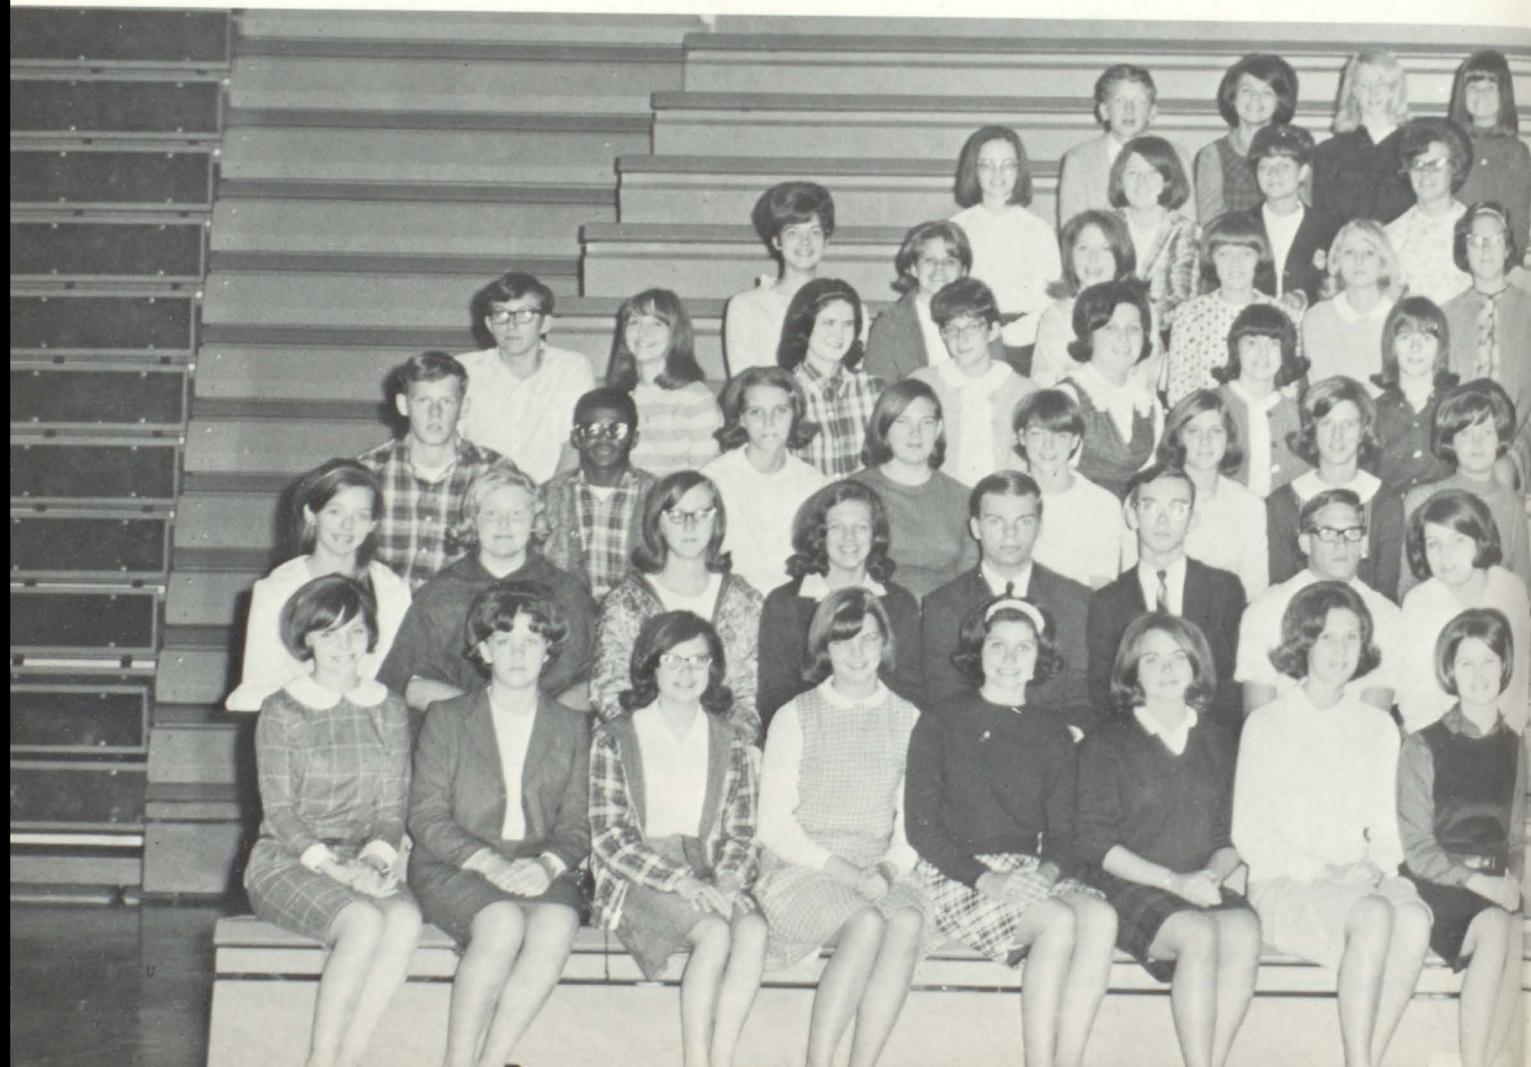

Future Teachers

This club provides the opportunity for future teachers to gain practical teaching experience and a greater insight into the challenges of teaching. It included on its program this past year varied and interesting speakers and subjects. FTA strives to broaden knowledge and help its members gain a greater insight into the ever changing field of education.

Future Homemakers of America

The Future Homemakers of America is a national organization of girls studying homemaking in high schools of the United States. The over-all goal of the organization is to help individuals improve personal, family, and community living, now and in the future. The motto is "Toward New Horizons" which is a challenge to the members. It reminds them that their contribution to home life today will influence the kinds of homes they have tomorrow; that the family life of members will influence the community and the world.

Future Farmers

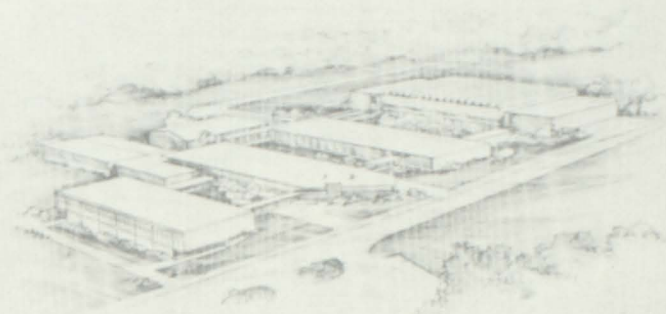

of America

Through their home-farm projects, the members of the FFA are learning by modern methods to enable themselves to greatly increase the yield of the land. Not only do these boys gain an understanding of what makes a successful farmer and the ways to best practice up-to-date farming, but they also develop social skills by sponsoring several social functions throughout the year.

As Sophomores we began our first year being a part of P.B.H.S. and became a part of the student body, gained security, and learned the importance of alertness and hard study. Our Junior year passed as quickly as it had come, bringing us many wonderful experiences and happy moments. As Seniors we realize that this is our most important step into the future. The doorways to success are open to us and for the last times we attend high school functions and approach graduation. We close our final year and bid an ambitious but sentimental farewell to you, our much loved P.B.H.S.

Sr. band students have learned to practice diligently.

Sr. girls work hard in Secretarial Practice?!

COE is a busy class.

Don't you understand, Steve?

We blew up nothing!

I'm sorry, it's too late to change your mind now . . .

It's hard to sneak up on Senior girls.

Janie passes out votes for Bluff Queen.

Wake up, Larry!

It can't be all that bad, Linda.

Our Bluffer Editor rushes madly to put out the next edition.

I just don't know that last answer!

Isn't there anyone who'll lend me a dime!

Nancy sings on her way to school.

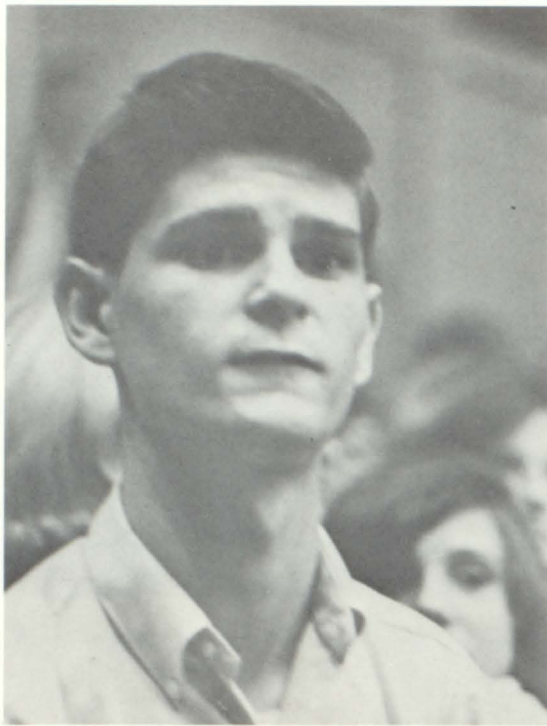

Roger always has a well-balanced meal.

Mr. Shearer's class is always interesting.

Pepper knows the importance of being a good student.

I'm lost!

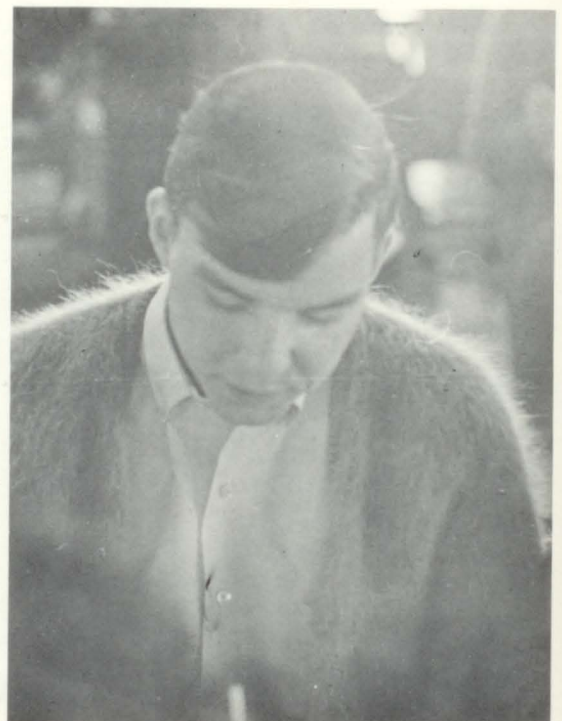

Boy, that one is really in for it.

Senior girls take time out to vote.

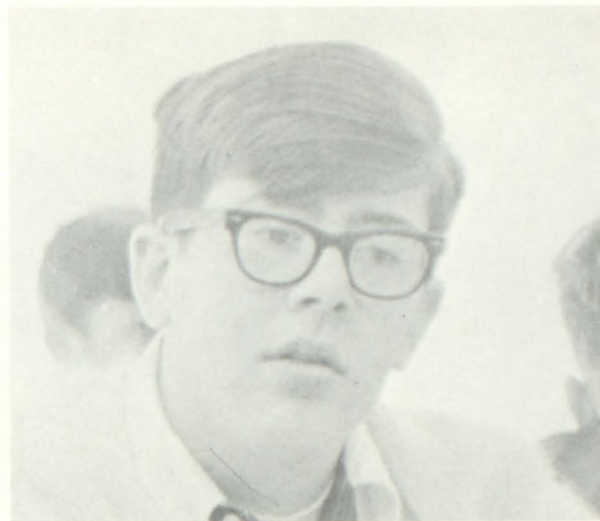

Sue enjoys school.

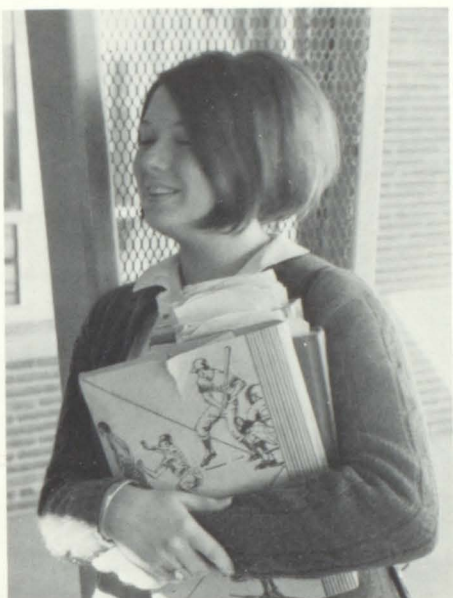

Joe studies his lunch, too.

Typing can be aggravating.

Don is in a daze.

You can't fall asleep here Susie!

Lunch time is discussion time.

David and Ronnie read up on college.

Connie is very dramatic.

We began this, our sophomore year, with much anxiety and many hopes for meeting the challenges awaiting us. Within a few short weeks, we found ourselves accepting the responsibilities placed upon us during our second year at P.B.H.S. All too soon, we found the year was drawing to a close, but we knew the experiences we had shared this past year will be remembered always. As we enter through "The Doors of Time", we find ourselves anxiously awaiting our next year as Juniors '68.

Entering Poplar Bluff Senior High School was the biggest step that we, as freshmen, undertook. We discovered that it was a bigger change than we had anticipated, but our desire and enthusiasm showed the upper classmen that we could and would accept the responsibilities that faced us this year. The officers we chose to lead us made our first year most successful, and we eagerly looked forward to our next three years.
